EXECUTIVE SUMMARY

Computer Science and Engineering student with experience in Java, Python, React, FastAPI, and database-driven application development. Skilled in building full-stack web applications, REST APIs, and cloud-hosted solutions. Passionate about software engineering, problem-solving, and scalable application development.

EDUCATION

B.E – Computer Science and Engineering.

Shree Venkateshwara Hi - Tech Engineering College, Tamil Nadu.

CGPA: 8.15 (up to 5th Semester).

Expected Graduation: May - 2027.

SKILLS

Languages: Java, Python, JavaScript, HTML, CSS

Frameworks & Technologies: React.js, Flask, FastAPI, Spring Boot

Databases: MySQL, PostgreSQL, MongoDB, Firebase, Supabase, SQLite

Tools & DevOps: Git, GitHub Actions, VS Code, Eclipse, IntelliJ IDEA

Cloud/Hosting: Render, Vercel, Netlify, Railway

INTERNSHIP EXPERIENCE

CADIBAL, Erode — Software Intern (Feb 2025).

- Contributed to the development of the Self-Learning Portal by implementing new features and enhancing existing functionalities.
- Collaborated with team members to analyze project requirements and deliver effective software solutions.
- Gained hands-on experience in web development, software design, debugging, and real-world development workflows.

PROJECTS

Self-Learning Portal — Built using HTML, CSS & JavaScript

Developed a responsive learning platform that organizes educational resources into categorized sections, improving accessibility and user navigation.

First Aid Assistance for Emergency Healthcare — Built using Python & Flask

Developed a Flask-based emergency healthcare assistance platform providing instant access to first-aid procedures and safety guidelines during emergencies.

Nesamani – The Contractor — Built using Java Spring Boot, HTML, CSS & JavaScript

Developing a contractor-service management platform enabling job posting, worker discovery, task scheduling, and service tracking through a role-based dashboard.

Restro — Built using React.js, Flask & MongoDB

Developed a subscription and expense management platform enabling users to monitor recurring payments, track due dates, and analyze monthly spending patterns.

ACHIEVEMENTS & CERTIFICATIONS

- Participated in Shridevi Institute of Engineering & Technology Hackathon, Bangalore.
- Participated in Erode Sengunthar Engineering College Hackathon, Erode.
- Secured Second Prize in Project Presentation at Erode Sengunthar Engineering College Symposium.
- Secured Second Prize in Product Launch Event at Kangeyam Institutions Symposium.
- Successfully completed Core Java Certification at CADIBAL, Erode, strengthening object-oriented programming fundamentals.

LANGUAGES KNOWN

Tamil, English.
